My Heart is Brojen. Christy There are no words to say how I wish this wasn't real. Matt loved you so much. He always talked to the highest degree of love and respect for you. He was always so excited and proud when he brought his wife's cookies into work. Always so proud of you. Matt was a light in this world. He was a best friend and he truly cared for others. Im so blessed I got to work with him and he got me through the day. My Playlist was always going so it was funny when I would hear him and Brian humming. Matt would kbear and rock out making springs. I love you Matty. Noone could ever take your place. You had a heart of gold and a love for Christy that made me love you more. My friend thank you for singing with me on Friday. If you get to have a last conversation that was perfect. Love your Jen Jen. Always be my Matty .. Christy I love you...

Christy we truly are sadden by this news and my heart breaks for you. Jaren and I have enjoyed having you and Matt as our neighbors that last 7 years and will miss having Matt around, sharing yard supplies, having conversations when we could or when we would hear him out mowing the lawn that meant we had to go out and mow ours so our grass would be the same lol we will miss seeing you both outside playing badminton or just seeing how happy you two were together. You two made such a great team. I always knew when Matt was leaving for work or when he would get home because he always had his techno music up so loud in his car I would tell my kids “sounds like Matt’s home” lol He truly was just a fun genuine person who will be missed. We are sending our thoughts and prayers for you Christy. We are here for you if you need anything.

My family and all the garage door families who Matt touched will surely miss him. We were all shocked to hear the good lord took him home. I personally really respected and appreciated Matt for who he was. I didn't know him

really well but was grateful to have met him and enjoyed working around him. Our hearts go out to all those grieving over the loss of Matt. May you rest in peace Matt.
