

Matthew Thomas Coleman

May 2, 1989 ~ Nov. 29, 2023

Dear Coleman Family... We were just heartsick hearing about Matt's passing. He's such a wonderful young man, and we absolutely loved serving with him in the Georgia Atlanta North Mission. What a beautiful life and family he and Brittany created. Know that our hearts, thoughts and prayers are with all of you. So thankful for the hope we find in the Gospel Plan and in the Atonement of Jesus Christ. And may years' worth of wonderful memories with Matt help see you through the most difficult days ahead. Much love to your entire family... President & Sister King

I am so shocked and sorry when I heard of Matt's passing. No one really knows the struggles and headaches that people are going through and how life can literally change in a moment. Tom and Shauna, I will continue to pray for your family for the Peace and Understanding you deserve. I can not attend the viewing or the funeral as I have tested positive for Covid the last few days. My thoughts and prayers are with you and your family.

Brittany, I am so very sorry for your loss. You have such a darling family. If you need anything at all I am here a for you. We can go to lunch, just sit quietly whatever you need. Love you Cathy

We learned of Matt's passing while we were out of the country. We are heartbroken for your family and so sorry we missed the services. Thank the Lord families are forever. I cannot imagine your grief but I am confident you will be with him again in the eternities.

Dear Shauna and Tom Our hearts go out to you in the loss of your son. We know exactly how you are feeling each moment due to the loss of our son too. The pain is gut wrenching and the most severe pain we will feel in this life. But the good news we will see our boys again. We know there is nothing we can say or do to help you right now, except to say the pain will ease over time. You will learn to live with it, I guess, is the best way to say it. It's going to take quite a while, but the daily pain does lesson. We know where these special boys are, and that gives great hope. When you are ready, we would love to visit you and share some of what has helped us. Our love and prayers are with you. And know your son is with you too. He is not far from you and loves you guys and his little family more than ever. Prayers and hugs at this most difficult time. Mel and Vicki Short
