I was so sorry to hear about your mother. Maureen was a good friend and my first cousin. She cut my hair for many years until we moved to Texas. We moved back to Utah just in time for her 80th birthday.. It was so good to see her again. How amazing she was, she hadn't changed a bit. She was beautiful inside and out. We watched her funeral on zoom since we are in St. George. It was a great tribute to a great mom, grandma, and friend. So sorry we couldn't be there. May she rest in peace.
