My dear, sweet Aunt Maxine...simply a wonderful woman, aunt, boss, and friend. Aunt Maxine gave me my start as a teacher of children when she hired me as a long-haired 18-year old to work at Pied Piper Preschool. Every afternoon after my morning classes at the University of Utah, I would head over to Pied Piper and spend the afternoon putting youngsters down for their afternoon naps, guiding and playing with the 9 and 10-year olds after school, and sitting next to my beautiful Aunt Maxine who was playing the piano and leading 30 or so children in song. These experiences changed the direction of my life because I saw the value and fun of teaching children and I became a lifelong special educator...thanks Aunt Maxine. I love you and know you are having fun once again with your baby sister, my Mama, in Heaven...let the good times roll!

What a woman! To me, she was the epitome of fortitude, raising her family on her own. I was just a child when she lived two houses away from me, but I have never forgotten her kindness and her unwearied dedication to the gospel of Jesus Christ. She had the strength of a pioneer, and the compassion of a Mother Teresa. May her legacy live forever and her posterity be blessed with peace & joy.

My dear friend and sister. Such an amazing woman, so happy, upbeat and positive. I can only imagine the rejoicing as sweetheart and family welcomed her home.

Our family was blessed to live next door to the Turley family and have many cherished memories of growing up with the Turley family. As a young family, we grieved with Maxine with Wayne's unexpected and sudden passing; Maxine left an enduring example about the importance of family, courage, strength, hard work, and unfailing faith and love of Jesus Christ. Maxine was always encouraging and kind to us and we are happy that she is now reunited with her true love. We are sending our condolences to all members of the family and we hope you find lasting peace in knowing your mother made a positive impact to hundreds of lives and can celebrate her legacy for generations to come. April 14, 2021 I am Donna Banks (formally Douglas, from Montana.) We moved to SLC in 1960, living just below Westminster College) I was a child when Bro. Wayne Turley was my Sunday School teacher in Montana. I remember him with very fond feeling as he was such a spiritual educator. I remember Sis. Turley lovingly as she lost her eternal companion so young. I remember her wonderful talents especially on the piano. I have often thought of Bro. and Sis. Turley, even 61 years after leaving Montana, as their love and influence on me is eternal. May your family know of the extensive love and influence your sweet parents have been. Sincerely, Donna Banks (lehispeech@yahoo.com) Donna Banks Friend

What a beautiful and significant service...from the grandchildren's memories to Steven's thoughts to Sue Ann's angelic voice! My love for Aunt Maxine and our family flows like a mighty river. Now, if you will excuse me, I'm heading to the grocery store to buy some Creamies (smoothies). Love and peace to all of us now and forever...Tony

I would like to send my thanks and love to the Turley family. Thank you Steven and brothers and one sister for your love and care of you mom. I very much felt of your wonderful mothers life and testimony thru your talks and music. You are all a great tribute to her. Your mother has lived well. I can only imagine the loving and happy feelings your mom and dad had when they embraced for after so many years apart. Maxine Pinegar Turley touch many lives in 93 years. I am glad mine was one of them. Thanks Steve for your friendship to me that made this happen.

What a beautiful hour I spent with your family this morning as you so lovingly said, "Goodbye for now" to Maxine. The service was so perfect with just the right combination of spirituality and humor. Every grandchild and Steve did amazing jobs at expressing their love for and giving additional insight into Maxine's life. I loved hearing Sue Ann sing so beautifully after many years of not having that opportunity. What an excellent talent! I spent a half hour before the service watching the video about her life. It was fun seeing her family and pictures of her youth and she and Wayne in the early years of their marriage. Maxine is such a dear friend and I am so happy that she is now well and at peace. She truly accomplished so much good in her life and seeing some of you participate so well at her service verified for us all what a fantastic person, mother, and grandmother she was. I have seen Maxine experience problems through the years of our friendship and she always faced those problems with strength and faith in our Father in Heaven. I know she was welcomed home with grand accolades from Him, our Savior, and all of her loved ones who have proceeded her. I will think of her often, always with tremendous love. What a sweet sweet spirit I had a special moment with Sister Turley a few weeks after her loving husband passed. I had gone to her home to see her son Wayne, he wasn't there and Sister Turley and I sat in her kitchen and she shared the most tender thoughts about her husband. I was so touched by her love for him and her testimony of the gospel. She truly was special. I was blessed to have known her. Love to her sons, Sue Ann and family Gary Groendyke
