

Memory Ellen Turner Lowe

August 7, 1943 ~ January 13, 2023

Wow, what a shock to know of Memory's passing this morning. Her long-time friend, Sandra, will soon be joining her in the great beyond. We have loved Memory, and Michael, since knowing them in Bonneville Ward while Michael was in law school, and renewing the friendship when they came back to SLC. Memory was such a ray of sunshine, always. And Michael and Don have shared many good discussions on legal matters and on Gospel doctrine and history. Michael was our favorite Sunday School teacher. Memory was a favorite "light up the room" person.

Sorry to hear of Memory’s passing. We loved associating with her at church. What a classy lady she was.
