This is mostly for her son, Scott, one of my favorite old students from when I was a Jordan High English teacher and tennis coach a long time ago. The obituary is very well written, and from what is said, it is clear why Scott has done so well with his life. She was a wonderful person, and apparently had a long good life I know the family will remember her in good ways for a long time.

We all loved Sister Featherstone. I wonder how many missionaries thought they were her favorite. I have thought about her on a regular basis through the years. She was a wonderful influence in my life. My heart goes out to every member of your family. With love, Alan Bridge, TSAM.

Dear Family, We have such fond memories of your mother and grandmother. As her first cousin I was able to spend time with her on numerous occasions and always felt of her goodness and love. Like was stated in the funeral, everyone she met felt like they were her favorite. There aren't many of the Duke Family left but we are so grateful to have had her. We will always remember her smile and caring nature. May the Lord bless each of you in the days to come. What a blessing to know that she is with your father and doing God's work.

We are so grateful for the opportunity to watch the funeral service remotely. It was so beautiful and fitting for our beloved Merlene. What a wonderful family. Vaughn and Merlene were always overflowing with happiness when they shared the wonderful things that their children and grandchildren were doing. They were a great team and they served others their entire lives. We appreciated Vaugh and Merlene always supporting and participating at birthday parties and reunions with the Johnsons in Stockton. They both gave big hugs and were interested in knowing about each person that was attending. My Dad (Uncle Ernest) was always so happy to see them. He loved Aunt Emma and the Featherstones so much. David and I were so grateful to have Vaughn and Merlene attend our missionary farewell in Vernal in 2000, and Vaughn was our Master of Cermonies for the program at our Wedding Reception in 1964. Merlene is one of the sweetest, most choice people we have ever known. Just keep honoring your parents by the good lives that you live and loving others as they did. Love and blesssings to all of the Featherstone Family. David and Eleanor Johnson Rust

I am one of the Texas San Antonio Missionaries. I loved your parents dearly. I learned so much from them. I have been blessed to keep in touch with them over the years though visits, phone calls and letters. I will miss getting to chat with your sweet mother now and then as I know you will too. I am so grateful that you had her serviced zoomed today as I found out last night at 10:30 pm so there was no way I could make it to the service. May the Lord continue to bless and be with your family. Love, Sister Anita Norris Bake
