Merlene made our wedding cake as a wedding gift.. Best and most delicious gift ever! Grateful to have been a recipient of one of her many kindnesses.

I was saddened to hear of Merlene's passing. She was an extraordinary woman and brought such a sparkle to wherever she was. She certainly was a jewel and bright spot for Mont. Rest in Peace. It was my pleasure to see you often and be in your company. We were family through marriage...My sister is married to Mont's brother and...I claim all the Gundersens'.

Dear Family, So sorry to hear about your mom dying so soon after your dad. Your mom was a great lady. When I went to Highland Cove with my singing group to perform, your mom and stepdad were both there to help them with Family Home Evening. I also remember that your mom and Helen Gygi made my wedding cake. It was a delicious carrot cake. Wishing you all the best from LuJean Neff Schneider and Susan (Swaz) Neff. Sorry we were not able to attend the graveside service!
