SHIRLEY, I miss you so much! I'm so sorry for the loss of your sweetheart. I have so many wonderful memories with you. I'd love to come and visit sometime.

Leroy was our great Scoutmaster for Troop 681 1984-1987. He and Dale took us camping all over northern Utah. Skull Valley, Butterfield Canyon, Dimple Dell, East Fork of the Bear. He was very patient and served us with honor.
