Dear Marlene, We are so sorry about your loss to this great man that we call such a special friend. I'm sure all of us walkers at Fashion Place Mall love both of you way more than we could ever say. I pray the good Lord will watch over you and bless you in the days to come. I also pray for peace to preside with you in your heart always and that you will reminisce about the many incredible memories that the two of you have had. We love you so very much. Merrill was a wonderful brother in the Church. He was always friendly. He was a true Latter-day saint. He was all about service. I know he will be missed.

We love you Uncle Merrill. You made our lives so much better and happier and even fun. I remember the many times you took us to Murray Park and we ate KFC and a cream pie. And the times you would take us to the Salt Lake Airport viewing area where we could watch airplanes land and takeoff. You would take me golfing and of course the golf clubs were longer than I was tall, but you would let me drive the golf cart. There are just too many fun times to recall now. You helped make my childhood and later years so much better for me and later on for my wife and me. Thank you and we will see you later. Love Steve.

Dear Marlene and Family, It pains me so to know Merrill has moved on and I am deeply sorry to be out of the country at this time. You(Marlene) and Merrill are like parents to me. I am there with you today in love, in spirit, and on zoom from Ecuador. Heaven is a little greater now for everyone. Love, Ann
