I loved your dad so much. Our visits helped me more than I am sure it helped him. I loved his positive happy outlook on life. Even our last visit he was literally dancing even though he was in a lot of pain. You girls are lucky to have such a great example of love and courage. Thanks for sharing your dad with me. Joy.

- (The Rev.) Kurt C. Wiesner,

So sorry to hear. I knew Merve years ago when I was interested early on in pipe organs. When I think of Merve, I picture a happy, smiling countenance, and a positive outlook -- an example to us all. My sincerest condolences to his family. ---Mike Bigelow, Bigelow & Co. Organ Builders.

I have adored your parents since the first time I met them. What love they exuded to everyone. Your dad will be missed as much as your mom but what a blessing they are together.
