To my best buddy Mike I hope you Rest In Peace while waiting for your beautiful wife Rolene. You and I spent many Friday's and Saturday's garage sailing me being the pilot and Mike being the navigator. I will miss tinkering with you in your garage. You were my best and only buddy. I will miss you badly. Your buddy Bruce

I know the daughter that her parents raised and the love she has for her parents. Special relationship with her dad. Obviously so much love for his family. What a special person. I value the information his daughter shared with me about who he was. Thank you.

So sorry to hear that Mike passed away. He was a great friend and neighbor. He will be missed by many family and friends. May our Heavenly Father bless you RoLene and family at this difficult time.

We've loved Mike for over 50 years! He was a friend and a great Home Teacher to our family of boys. Our sons loved Mike. Arlen and Mike loved to compare gardens. Rolene and Mike- beautiful couple. We love you both.

We always enjoyed our visits with Mike and Rolene. We always viewed Mike as the ultimate and dedicated home vegetable gardener. He always got an early jump on the season by starting plants indoors, then putting them out in his driveway on sunny days to gain some growth before planting. The output from his garden was spectacular. It was good to know a real Greek!

Dearest Aunt Rolene, How our hearts ache to hear of Uncle Mike. I know we haven't stayed in touch like we should have, but we both love you two so very much. Uncle Mike was always there for us if we needed him. He is a wonderful uncle and a bright star in the Arvanitas family. May the Lord bring you comfort during this time. We you love

Dear Arvanitas Family: it is with love that we send our sympathy to you. We have many fond memories of Mike and your family when we all lived on the same street and raised our kids together. Gordon and Susan Porter
