Sad to hear of Mike’s passing. His big smile and humor will be missed. May you and your family be blessed with peace and understanding. He sure did love the youth and they loved him. He lived an exemplary life.

Jana, Brian, Cindy, James Please accept our heartfelt condolences during this time. We were very much saddened to here of the loss of Mike. He was a blessing to our family (for that matter, all of your family was a blessing to ours). Mike was our first home teacher when we moved into the Clear Lake area; we served together in young men, scouting and in the bishopric. Since hearing of his passing, we have been reminiscent of the fond memories of the times we spent and served together. May each of you always keep those fond memories you have of him in your hearts and always cherish the love that you have felt from him. All of you are in our thoughts and prayers. With love, Walter & Gena Garrett

Jana, and family, Loosing Mike at a such a young age an to such a terrible disease, is heart breaking. Remembering back to when we were neighbors in Billings, you all were terrific neighbors and friends. I hated it when you were transferred to Houston, but you guys were troopers. One of my fondest memories of Mike was when I was on a trip to New Orleans. I called Mike while y'all were in Baton Rouge to say hello, and he said to me "lets get together for dinner" Mike drove over to meet me for dinner. What an enjoyable evening! I know he had a busy schedule at the refinery, but he still made time to come see me. I'll always remember that evening. Mike was a class guy. We don't have very many of them left. He will be missed. God bless you all!!

Dear Cindy, So sorry to hear your news and my sincere condolences to you and your family over the passing of your father. I was with my father when he slipped through the veil on September 26th and his funeral is the day after your father’s! You are in my thoughts. This is a peon we will have in the service, may it comfort you, Sue Gibson x The Broken Chain We little knew that morning, God was going to call your name. In life we loved you dearly, In death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you, The day God called you home. You left us beautiful memories, Your love is still our guide. And although we cannot see you, You are always at our side. Our family chain is broken, And nothing seems the same, But as God calls us one by one, The chain will link again.

Janna, I'm so sorry for your loss. Unfortunately, I just heard about this and the service today and can't make it up. But know I love you and am thinking of you and your family. I love all of our memories together as cousins and children. Our dinners at Momie Cook's, playing Red Rover, rolling down the hill, "Here Comes an Old Lady" with your mom--I've kept that alive and well with my children, grandchildren and any other children who I can hold captive with it! It sounds like you and Michael had a wonderful life together. He sounds like a wonderful man. Love, Vickie

Dear Wheeler Family --- We are so sorry for your loss; we love Mike and each of you. We just listened to the funeral on Zoom, and it was so touching and brought back so many wonderful memories. It also reminded me of an incident that demonstrated Mike's love for the people he served. As Mike was released as bishop of Clear Lake 2nd Ward he was tutoring me as the incoming bishop. I distinctly remember him quoting from 2 Nephi 33:3 as he referred to the love he had for the ward members: "For I pray continually for them by day, and mine eyes water my pillow by night, because of them; and I cry unto my God in faith, and I know that he will hear my cry." What an example of faith and love he was to us! We will truly miss him, but we know he is still serving and loving others on his new mission on the other side of the veil. Paul & Jan Newbold
