I'm so sad to hear my grandpa passed away... I remember being like 6 or 7 years old and him and my grandma dropping me off back to my mom's and I didn't want to leave cause I loved him so much! I was holding onto the steering wheel for dear life to stay. Your gonna be missed dearly. You never know what you have till it's taken from you. I love you Grandpa! Love your grandson, Joshua Michael Bowen

Dear Janeane, Shawn and Laura, Jeff and I are so sorry for your loss. We've always loved Mike as a close friend and neighbor. He was always such a hard working man, and so willing to help anyone in need. The beautiful cabin that Mike and Janeane built together is a tribute to his talents and was a labor of love. I will miss his warm smile, friendly welcome, funny personality and his infectious laugh. We will always remember you Mike. As neighbors, we plan to help Janeane with anything she needs, and visit her often. You Rest In Peace my friend, we'll take it from here. Until we all meet again, May God bless and keep you in His loving care. Love, Carol Ramsay Jensen and Jeff Jensen.
