Marian - We are so sorry to hear of Mike’s passing. We treasure our years of friendship “on the mountain” and know how much your retreat there has meant to both of you. He is and will be greatly missed.

- Corwin and Linda Ogden

It was a pleasure to know Mike, even for a short while. He carried himself with the dignity of an officer and spoke with the kindness of a mentor. He is already missed here in Sandy. I am so very sorry for your loss.

So sorry for your loss. Hugs, Fred and Marilyn

Wir sind sehr traurig und bestürzt, daß Mike durch die Krankheit so früh hat gehen müssen. In Gedanken sind wir bei Euch.

- Sonja und Walter Specht

Our deepest condolences on the loss of your husband and father. I very much enjoyed time with Mike skiing at Alta and our time at the gym.
