

Michael Dean Larsen

September 20, 1968 ~ July 16, 2025

I hadn't seen Mike in about 2 or 3 decades when he and I both happened to attend church in the 1st ward one Sunday. But he remembered right who I was and had a big grin. It's amazing that people like Mike, and my special needs son, in spite of leading sometimes painful lives, are among the happiest. I'm grateful to have known Mike. It was a highlight of growing up to see him pass the sacrament as a deacon. I'm glad he will have a perfect body in the resurrection. Condolences to the Larsen family.

Ron and family. Sorry we cannot be there to put our arms around you. We are thinking of you and praying for you. I can picture Mike standing tall and still smiling that big smile of his. Love you Mike Aunt Pete and Uncle Ally

To all of Mike's family, we want to let you know we are so sorry for your incredible loss, and you are in our thoughts during this time. Mike was one of the most special and kind individuals we have ever had the pleasure of knowing. Tyler worked with Mike at TKJ, and we were honored to accompany him to Hawaii to visit his incredibly kind and sweet family there. Tyler also recalls so many trips to visit Mike's phenomenal family in Parowan, and how much Mike loved riding in the jeep with him - and all the Jazz games too! Mike was a joy to be around and will forever be in our hearts. What a beautiful soul to know and remember. Wishing you all peace and love during this time.
