
Michael Frederick Brunner

June 26, 1941 ~ February 17, 2021

Please accept my sincere condolences for the loss of your father and grandfather. I have known Mike for many years. We both lived in Reston, Virginia. We both worked as educators in Fairfax County Schools and Northern Virginia Community College. We attended the same church. And years later, after we retired , we were surprised to find that we both lived in the same retirement community in South Jordan Utah. He was always friendly and kind to all those he came in contact with. He will be missed by the many students and numerous friends whose lives he brightened.

Josh and Kristin your dad was an amazing man! He always brought smiles and laughter to me every time I saw him. He had the best come backs. Thank you for allowing me to have the privilege of knowing him. He taught me many things. I will cherish the special talks, adventures Mike and I had. Praying for you and your families during this difficult time. I will definitely enjoy a McDonald’s Coke in honor of my friend Mike. Trina

Mike Brunner was one of the finest men we knew. Several of our children were fortunate enough to have him as their math teacher, tutor and mentor at South Lakes High School. He always had time for them after school and he made AP Calculus a palatable (and passable) subject for them. He was also a good friend to our whole family at church. We enjoyed his quick wit, kind heart and great singing voice. He usually sat on the same side of the chapel, near us, and his was a friendly face we were always happy to see. Mike will always hold a special place in the hearts of each of our family members. 'Til we meet again, Mike!

Mike was a good friend to my parents, and I have fond memories of visiting his family when we lived in Fox Mill. I remember Mike's friendly smile. I know he will be deeply missed by Kristin, Josh, and all his family and others who knew and loved him. I pray that your hearts will be comforted.
