Even though I have not seen Mike for years, I have nothing but amazing memories of spending time with him. He was always a happy fun outgoing guy. Not to mention pretty darn handsome. He was the life of the party and always made everyone belly laugh! We have no way of knowing when it's our time, but I can say we lost him way too soon. My heart and love goes to his family which truly also feels like my family! With much love and condolences, Mateja Harrington

Ross was my childhood best friend in CO, where we loved B'ball! We always stayed in touch during HS and college, and somehow always found each other later in life. Our paths reconnected in Dallas and then California, where he couldn't give up on that basketball dream. God had always brought us together in the most unbelievable ways. His mother Pat rocked and I always enjoyed Debbie, Michelle, and Patrick! I was always hopeful that he'd be showing up on my front door as il missed him like a brother and wanted him in my families life■■■■ RIP Michael aka Ross!

The world has lost a really cool guy. My condolence to Pat, Michele , Woodie and Mike's entire family. I knew Mike for many years, due to the fact that his brother Pat and I were in business together. I grew to like Mike and enjoyed being around him and his high energy. It was a sad day for me when I heard that he passed away. RIP Mike!

Michael would have been 63 a couple of days ago. There isn't a day that goes by that I don't think of him. He was truly one of a kind. My sincerest condolences to anyone that had the pleasure of knowing him or the luxury of calling him a friend. I will never forget you brother. I hope the universe allows us to meet again some day.
