Mikey. How I will miss our Political conversations and all the talks we have shared over the years. You have always been such an example to me in your kind, patient, loving ways. Always a gentleman and always kind and loving with your family. I know you are free now to live as you did when you were younger and to spend much needed time with your parents, Cameron, and all those gone before. I will miss you always. Love Grace

What a privilege it was to watch the funeral of my cousin Mike. The speakers delivered treasures in the memories they shared. Thank you. Pamela and I extend our condolences, prayers for your peace and rejoice in remembering a great and good man.

Our heartfelt prayers and love goes out to your family at the passing of Mike. Though our visits were usually at Pat & Denese Case's house we enjoyed getting to know Mike and Patrica. Mike was and is a great man. May you feel the Lord's love, comfort and blessings always. With love, Garth and Carolyn Baker Garth and Car
