---

Dear Lisa and family, I am deeply saddened to hear of Michael's passing and extend my condolences and love. Very grateful to have known Michael. He was a great example to me and encouraged me to be a good scout leader. It was his example that I tried to emulate as I had the privilege to serve in varsity scouts and later as scout master for many years. He set the bar high! May you find peace and comfort and know we are praying for your family.
