Rest now til we meet again my dear dear friend who I loved and called, "Bear." You loved it that I called you that. I loved those smiles and the twinkle in your eyes when I did. My prayers are now with your children and those grandbabies you love so much. May they be blessed with the comfort of the Lord.

We are so sorry for your loss. It takes a wonderful man to raise a son like Phil. We are sure he treasured those grandchildren that you provided. We have fond memories of our association at Quantico. Love, the Gillettes

I'm so very sorry for your loss. We were cousins and your grandparents were some of the most wonderful people i grew up knowing Uncle Hansen and Aunt Irene.. Summer visits to our home meant laughs, late night talks and a life time of memories. As adults Mike and i reconnected and spent wonderful times talking about our families and church. I loved asking him questions about new church policies and changes because he always seemed to have the answer i needed to hear. You will be missed dearly and loved always my cousin.. I was very saddened to hear that Mike had passed. Mike always had a knack for looking at the bright side of things, and could always crack a joke that could make you smile and laugh in less than a second. Mike was a kind, thoughtful, caring, and funny, can't forget the funny, person and he will be missed. Mike, thanks for being a friend. My heart goes out to his family in this difficult time. Well you’ve moved on to the Big Dairy. Gonna miss you my brother. Till we meet again keep mending the wire, bailing the hay, and put a little dirt on it from time to time. Love you Boom Boom.
