

Michael Jay Syme

October 21, 1961 ~ October 3, 2024

I remember him well through Jr. High and High School. A nice guy, talented. My heart goes out to his family and loved ones. Best Wishes

We lived by Mike, Jen and the girls for many years. We love all of them! Some of our favorite memories are of Mike loving Captain America and displaying Captain America posters in his home, and being the "Play Master"! He helped find costumes for all of the children in the neighborhood and taught them how to act and participate in plays. He prepared the stage with props and backdrops. He spent many hours practicing with the children. Then the children would perform the plays on the deck in Mike's backyard while Mike joyfully, happily and with a ton of enthusiasm directed them successfully! We have many happy memories living in that neighborhood with the Syme Family. Hugs and Loves to all of you!

My memories will always be flooded with the thoughts of this good man, Every Christmas I always had a secret Santa gift left on my porch. "Most of the time it was a sport jersey from a player that you never heard of" and a gift certificate to the Ogden Pizzaria. I am so grateful for his kindness. My thoughts are with all left behind. I hope your memories will be as fond as mine and last you until you meet again.

We are so sorry for your loss. We all know he is in a much better place!

- The Welcker Family

I could never understand what the hell he was even saying when he was doing Front and pitches for me… But he always got it done. Lol. Mike had a huge heart and was a great guy. I've smoked a few cigars with him and had a few laughs back in the day. My heart goes out to his friends and especially his family.

Mike was the kind of man that would give you the shirt off his back. Mike helped me put together a 90 minute presentation with all his PowerPoints & his seminar secrets that made the presentation work. Mike was a giving man and I personally will remember his support & backing for me. Mike you will be remembered & loved by me. God bless you Brother!!! Sincerely, Gene Dinger

Remembering the intelligence, sense of humor and competitiveness Mike always brought to the forefront as a speaker and friend. May God bless his soul and comfort his family and loved ones.

He was an inspiration as a missionary in Sapporo. We didn't keep in touch much after that. I last had contact with him when he was starting up in sales teams. Good man, and funny. Peace to the family.
