Daddy, I know it took me so long to write, I can’t wrap it around my head or accept your not here. It’s hard sending you this message. Dad If I send this message it’s really real your gone.. My heart is so heavy and it hurts so much. I need to see you watching your game, ask mom, “Potluck or Meatloaf?” Make A List For Pone.. I Need Everything To Go Back To How It Was Just You Dad ❤■ I Love You So Much And I Miss You So Much More Than You Know.. RIP Daddy ■■■❤■ I Love You ❤■■
