From the Nielson Family: We are deeply saddened for this loss to the Veenendaal family, the Sandy community and to us all. Mike was a bright spot for us personally and professionally— never afraid to bring a different perspective to any discussion. So affable - from any distance his smile gave him away, and he was always ready with a laugh. He's gone too soon, but leaves a gold standard legacy for all time. We wish him and his family peace and comfort - and our forever love. Jake and Janne Nielson and Family

Mike was a man who made every one feel special and welcome. His smile was always present & even when you felt low he made you feel better. He has touched many lives for the better. Thanks for sharing him with the rest of us. Thanks Mike for being so thoughtful and helpful in all you did in life. Say hi to Dad, Mom & Louise. Love you.

so sorry for your loss. Mike was a very caring man who loved his family very much. I enjoyed working with him 40 years ago at Sandy Fire. He will be missed.

- Ron Cromar

Marilyn and family: Rosemarie and I are sorry to hear of Mike's passing. He is a fighter and I'm sure he had as good of spirit as possible over the last two years. Mike and I spent a lot of time with the kids in the ward camping hiking teaching and learning. He is such a good friend and I have learned a lot from him home teaching. He even let me ride in his Corvette just to encourage me to go. He developed great relationships with all we home taught as well as all the youth we worked with. What a great man.

What a great example of selfless service, a true hero. I have always believed I life should be measured not in years rather by the impact it has made on the lives of others. Mikes contribution in this way can not be measured he not only led a life service himself but led his family down the same path. Mike, Missy, and Marci my thoughts are with you allay this sad time. God bless.

- Vince Rowley

Marilyn and family, Mike was truly a lovely, lovely man and it was my pleasure getting to know him over the years. I loved seeing him at CAWS events, and admired that he took time out to help the animals very much. You have been lovely neighbors to my parents, and I know Mike was very respected and appreciated as a member of the HOA. Mike was truly one of the nicest people I've ever met. I am so sorry for your family's loss, but know his legacy lives on. Sending love and light, -Hydee Fratto

So many of our friends and loved ones leave us and we are saddened when they go. We are filled with memories of the differences they have made in many lives. Mike is truly one of those that will be missed and has truly made a difference in the EMS and Fire Service. I loved his smile and willingness to do more than asked. So loved working with him over the years. He will be missed.

Dear Veenendaal Family I am truly sorry for your loss. Mike was a great person who I worked with for many years. Also one of the most positive and happiest people there was. Even after retirement meeting up with him at Harmon's on Saturday. Mike I am really going to miss one of the true great. Rest In Peace brother John

- John Evans

Working with Mike in the Exchange Club was really not work at all. Being with Mike was always a pleasure. When we cooked dinner at the Ronald McDonald house, Mike always had everything under control, right down to the thermometer to check the temp on whatever we were cooking. He and I spent hours talking about cars. Mike loved cars! We talked about all the cars we had owned. It was always a pleasure to spend time with Mike. Where ever you end up, I hope you find that 69 Camaro.

- Kevin and Cindy Wilde

Dear Marilyn & Family- Mike was 1 in the kindest most genuine people I have ever met. I never heard him get angry & he always had a smile!! He loved his family so much and was fiercely protective of his daughters as they were growing up. Remember the things he taught each 1 of you-he will never be more than a memory away! ((())) love Roberta

- Roberta Meldrum Saxton

Last saw Mike a few weeks ago after being his neighbor and fellow Board member for years. The world stopped turning for a bit when Mike stopped. In my life, I have never met a more generous and kindhearted, giving, human and we will always be a little better because of our moments shared with him and his rock, Maryilyn.

- Bob and Irene Fratto

Marilyn. So sorry to hear of Mike's passing. He is no longer suffering. I have come to believe that when good men like your husband have accomplished all they needed to do here the Lord takes them home for other responsibilities. Mike was such a great man and will be missed. Prayers are with you on your journey till you meet again♥■

So sorry for your loss but how lucky you are to have had Michael for so long. A true example to everyone and always willing to step up and do what was needed (even to be Exchange Club president two years in a row when no one else would accept the position). One of his qualities I will always admire is his positive attitude. Even through his illness he never complained. Such a good friend and mentor. I know he's watching down on you all and will never be too far away. Kevin Thacker

Our hearts go out to you. We remember his warm welcoming smile as well his many hours of church and civic service.

Marilyn, I love you. You have always been there for us as a group of women trying to make a program run; and you havve been so willing to bend your own schedule to be there when you were needed. And always with a smile and a giggle. We don't know how much caring for your husband fit into all this, I sincerely hope the two of you got all the time together you needed. It's never enough time when we send a loved one on without us. But I pray that you will be able to be content as you carry on in your life without his presence. My heart hopes you will be able to stay on with us in DUP, but just know how much grace and hope you've given to all of us. Take care, dear friend. Karla

- KARLA HORTIN

This was my grandpa. He was a great man. He always helped my family out. He would always help out someone who needed it. He would always help the next person in line, make sure everyone's happy, make sure everyone's loved, put others before himself. The best dad, brother, son, grandpa, uncle, cousin, anyone could ask for. I am going to miss him
