

Michael Joseph Shampton

May 19, 1948 ~ February 16, 2021

We were saddened to hear of Mike's passing. He was always kind and willing to serve. We especially enjoyed talking to him about BYU sports in the library at church. He will be missed.

Our thoughts and prayers are with you and your sweet family.

My thoughts and prayers go out to the Shampton family at this very hard time for the loss of Mike. He and Marianne were great friends of ours in the Hillside Ward in Murray. May the Lord bless you with comfort and peace. Rest in Peace, dear Mike!

To Marriane, John, Michelle, Julie, Matthew, & Mark, Words cannot express our deepest sympathy for you all and your families. Michael was indeed a quiet strength and we know that you were all well loved and that you all loved him well. We will see him again and what a happy and wonderful time that will be. Until we see you again please know that you all are in our prayers. Love always, Ken & Kathy

Marrianne, While I haven't seen you in decades, we go back a long way. Your mother used to tend me while my mother worked. Elaine Allen was my mother. Also, I served with MIchael in the Canadian mission lo those 52 years ago. He and I were in the same district. I happened upon his obituary doing some other research. My sympathies. He was a good man and a solid missionary. My best to you. Scott Allen Centerville, UT
