Have known Mr. Wall since 1998, and we worked together for a spell, and lunched annually. I will miss him. He was an absolutely amazing soul. Prayers for his wife and children and all those he leaves behind.

Dear Regina & Family: I have known Mike since 7th grade! I was so saddened to hear of his passing. Mike was able to do and accomplish so much in his lifetime, but I know too that his priorities was his faith in our Heavenly Father and his Son Jesus Christ, and you his dear family. My heart goes out to you all and I pray God's blessings of peace and comfort to be with you now and always. May our Savior's love and peace bring you comfort and may the

Lorrie and I are saddened to hear of Mike's passing. While it is said that no good man dies before his time, our hearts nonetheless go out to his family and colleagues. I knew Mike as a dedicated student of the Gospel, a stalwart member and leader in our ward, and an intelligent and entertaining colleague. He will be missed greatly on this side of the veil.

During the summer I spent interning at Hutchison & Steffen, I was impressed by Michael Wall. More than six years later, I still remember him as an impressive and unassuming legal mind and a good example. I was impressed by his intelligence and his quiet, unassuming, but kindly manner. I was also impressed by his exotic interests--in conversation he was fascinating to speak with. Working alongside his daughter at the firm that summer, I observed that Michael loved his daughter (and that their entire family loves Disneyland)! I always enjoyed running into Michael at events like the TIP mentor program, etc. His exemplary presence in the legal and local community will undoubtedly be missed by many. Sending my sincere condolences to the wonderful Wall family, you are in my prayers to a loving Heavenly Father. -Joe Meservy
