

Michael Kirkham Jarvis

December 19, 1940 ~ May 26, 2022

I enjoyed doing plumbing repairs for Mike he always had a story for me when I visited. Always was so great full me stopping by. When ever he called he had to introduce himself and make sure I know he was Heidi's Dad. When he was moving out of his house he apologized to me that he wouldn't be needing my services anymore. He is a great Man and will be missed by all who knew him…

Sorry to hear that the big teddy bear has passed. Always a good friend and he will be greatly missed but I'm sure there will be a great reunion awaiting him in Heaven. Lots of great memories, but he's off to some new experiences, free of all these earthly problems. I think you've passed the test. I just hope that they have a donut shop somewhere close. Just wish that had one of his big hugs before he passed. What a great guy, our loss will be Heavens gain.

We have a lot of good memories of sharing stories, concerns, solutions, artwork (he gave us a number of his art books when he moved from Jordan Villas) and most of all, his kindness. We will miss our good friend. Dave & Carol

Anyone who ever met Cousin Mike loved him. As kids we would love to wrestle and pile on him. He would toss us around like laundry and finally allow me and my three. brothers to bring him down. Always with a big smile and laughter from all. It was so funny when he told us his mother, our Aunt Carol, wouldn't let him play football because she was afraid he might get hurt. I think she was really looking out for the opposing team. I ran into one of his former colleagues this week in the trucking industry. He said what we all think, "Mike Jarvis was an amazing guy! Not just great, but amazing!" We will miss him, but he has been greatly welcomed on the other side. God bless him and all of his family.

Mike was a big-hearted man of great humor and an interest in and kindness toward everyone. I worked with Mike in the ward clerk's office for several years, and he was such fun--so full of vim and vinegar. He could always be counted on to keep us laughing. I am going to miss his friendship and his wit. Eternal peace to you, my friend. Dale G. Bailey

We haven't known Mike for very long, bit the short time we knew him, he was so kind to us. We are grateful we had the chance to meet him in this life. Your family truly is blessed to have such a great father, grandfather, and brother. Much live and condolences your way.
