

Michael "Mike" Warren Jarvis

November 1, 1949 ~ April 12, 2024

Just read about Mike's passing on Highland High's website. So sorry and surprised to hear this bad news...he was really a good guy. I'm so indebted to him for being such a good friend in high school and for him introducing me to Jo Ann 57 years ago. I'll always regret that we drifted apart after high school... I have many fond memories. Allan Merrill
