

Michael Oberlin Larson

February 13, 1937 ~ September 1, 2025

LOVE to your family from mine. It was a pleasure knowing him and your whole family. ❤■

I was so sorry to hear of Mike’s passing. I am so grateful for the gospel of Jesus Christ and the plan of salvation, as I know Mike was. I know how much my parents, Bob and Wynne love the Larson family. And what a great friend and home teacher he was to our family! I have no doubt in my mind that my parents have been able to reconnect with him and talk about the many fun times they had together while on this earth. My prayers and thoughts are with each member of his family during this time.
