

Michael Raymond Dunn

January 3, 1945 ~ September 21, 2025

My condolences to Kathy, Lisa, Amy and Stephanie, David, Tony and Clark. Kathy, your husband was the most amazing man I have ever known and the best brother anyone could ask for. There will always be a huge space in my heart where Mike will reside, as I am sure all of you feel the same. My condolences to the Grandkids. Judging by the stories told at get-togethers, I know that Mike was very close and proud of all of you, secure in the knowledge that you would grow and succeed. To Kathy Alleman and Karen Whitear, love you both. Life will be very different without our Bro but we will carry the torch.

Mike, my bro having 17 years between us and you having married when I was two years old I don't remember you living at home? But I do remember spending sleep overs with Lisa at your home and her at mine. I recall playing Barbie's, favorite board games such as Clue, ice and roller skating and going to the movie theater. When a bit older I got the chance to ride a dirt bike. Your cool purple fast back corvette and silver Comet stand out in my mind. We listened to a lot of fantastic music spinning on your turntable. In my mind you were a rock star.■ Kathy, I've always thought you to be so nice and beautiful. Do you remember me calling you "That Girl"? The first time I saw Marlow Thomas play that character I thought it was you! Your partnership with Mike has been a great inspiration to me. I want to tell you how blessed he was to have you. Your family loves and appreciates your remarkable relationship and your devotion to Mike! I know he was a devoted and loving husband. To me you are the Example of the perfect couple!

- Karen Whitear

That was a wonderful tribute to Mike! I was unaware of his many talents and business accomplishments. I'm sure you are all very proud and will share hugs and memories of Mike as you all find closure together! Keep those Sunday dinners going in his honor. It was a privilege to have known him and being on the receiving end of his shining eyes and smile. God Bless you all in your time of sorrow. I love you Kathy.■

What a beautiful and informative obituary for Mike. I didn't know most of this information and am happy to say I knew him. I send my deepest love and hugs to you Kathy and your sweet daughters. May your fond memories bring you calm and comfort. Lynda

Remembering the great times riding our Triumph Cub motorcycles in high school and many Imma adventures.

Mike Dunn was truly one of the greatest, his smile and wonderful laugh will always be remembered. So many incredible memories of times that I was fortunate enough to spend with "Dumbo", the co-author of "Sweet Immaturity" and member of the Imma Hall of Fame. I'm missing him so badly right now, but I know he's never going to be forgotten !!!

Mike was one of those guys who had a quiet , humble presence about him which made you feel welcome and you wanted to know him even more. Even though I haven't spent much time with Mike over the last many years, I have always felt close to him. I'm very grateful for the time that I did get to spend with Mike and Kathy. I loved his dry wit, and can hear his laugh in my head. When it came to designing and building things, he's the smartest guy I know. He loved his wife and daughters above everything. He lived a life of being surrounded by, and loving all of those who loved him most., It doesn't get much better than that! My condolences to everybody who will certainly miss him.
