

Michael Richard Saxey

September 29, 1938 ~ November 3, 2023

Mike was such a gentle soul to be around. He always made you smile and feel welcome. He could tell some stories that were phenomenal. I could sit and talk with him for hours. I was so blessed to have him give me a blessing in my time of need. He gave everything he had to serve others. My condolences go out to Shirley and the family. He will be greatly missed.
