I'm so grateful I've been blessed to know Michelle and Todd. Michelle truly shared her light and love with all she knew. I saw this first hand when she and Todd were pioneer trek Ma and Pa. My heart was so touched by the loving way they navigated the trials they faced together. That kind of love is eternal.

Michelle was such a beautiful woman inside and out. She created the most loving, talented, and genuine family I have ever seen. She is such an inspiration and her legacy of love and light is truly remarkable. My heart aches for her family to have lost her so soon. I’m so glad they will all be together again.
