Milton Douglas King

April 4, 1930 ~ December 8, 2021

My thoughts and prayers are with you. Even when its time for them to go its hard to lose your father. God bless your family...and God speed uncle Milt!

- Rodger Smith

My prayers have been for the King family many times this last month. I know the last few decades have been very hard for Milt physically, especially being an outdoors man as he was. Peace has come. I always enjoyed Hometeaching him and listening to his many stories, even when repeated it was always good and entertaining. May God comfort you at this time.
