We met Mitch in 1983 when we moved to Wyoming! Dan joined him in working as a Journeyman Lineman for UP&L! We all had great times up in Evanston even in the winter we would be out four wheeling tubing, playing polar bear softball just making the most of the winter there. On a trip out to California we stopped in Evanston and turned towards Utah power and passed the truck and it was Mitch we pulled up and what was the Boomtown parking lot and talked for a very long time. It was great reminiscing. In February, we went to Mesquite and visited Mitch and Debbie the guys getting together was just great fun for all! Dean Larsen was there and he and Mitch had worked together longer than he and Dan they had been together in Salt Lake City so it was just a great reunion! He was a great guy and I know he's going to be greatly missed and we send our condolences to his entire family.

Kevin, So sorry to hear of your father's passing. He sounds like he was a great father and one whom you seem to have followed in the footsteps of, with your love for working with wood!! A good man gone to soon but the good

lives on in his children for sure!!!

My heart is so broken to hear of this. When I started at Rocky Mountain Power, he was our troubleshooter. He was so kind and patient and he will deeply be missed. My condolences to the family. I'm sending lots of prayers and love for their way.

Kevin, when someone we love dies, they take a piece of our sole with them onto their next journey, that is why it hurts so bad, but they leave a little piece of their sole with us, that's why we never forget them. Losing your dad hurts but, he will always be with you, and you will never forget him. My love and prayers go out to you and your family. Mike McKnight

So sorry to hear about Mitch's passing. Sending my deepest condolences to Deb, Jill, Connor and the rest of the Goodspeed family. Although I knew him as a rather quiet man, I still enjoyed the times we visited. I apologize circumstances did not allow me to attend services. Mitch, you will be missed.
