

Monica Lynn (Kopnski) Blue

April 10, 1962 ~ November 9, 2025

I am so very sorry for your family’s loss. Monica was a very special person. Continued prayers for strength and peace during this difficult transition.

Saddened by this news. We had met a couple times during our get-togethers and your wedding. Heaven gained a beautiful woman. I know too well about triple negative, all so horrible and unfair. My condolences to you JJ and your family
