SO sorry for your loss. Morris was a good friend to my parents and to me as an extension. He was a delightful man, so full of love of life and everyone around him. He will be greatly missed, by me as well.

Dear Page family, Sending much love your way at the passing of your amazing father. How we loved growing up across the street from Morris and Jane and you all. Our memories are dear and deep. What a wonderful family you have. We are sorry to have missed the funeral and pray that you all feel peace and joy for the gifts you all have inherited in your personalities and presence. Godspeed. With love, JoEllen, Jill, Jan and Scott

I met Morris back in the mid 70’s when I attended Gary and Marcy’s wedding in SLC. I got the chance to meet the entire family at that time and appreciated their hospitality. Always impressed hearing the stories of him still walking 9 holes at 96 years old! A life well lived with strong family ties throughout. RIP ■
