Condolence to you and the family

- VERONICA

Family, words don’t come easy. I thought of Peggy as my second mom. She means so much to so many. Her positive attitude and determination is so refreshing, empowering and cherished. Love you Peggy Sue. Xoxox Rest in peace friend. Thank you for accepting me in your family and loving me the way you made me feel so loved.

- Stephanie Fox

I’m so sorry for your lost , god give the strength to the family,

- Beatriz Ugalde
