I have very happy memories of our families growing up together, two houses away on Wanda Way, in Holladay, Ut. The happy times and fun we spent together as our children were growing up! It was always "Uncle Harvey" and "Aunt Miki", even though we weren't related...to my kids! Miki and I were like sisters; stuffing turkey's, making lasagna, popcorn balls and Christmas decorations!! I will always remember those days...I will always remember Miki...she was special !!

Miki was truly one of a kind. She had the most beautiful spirit that will continue to shine on in all who had the privilege of knowing her. The love and kindness she showed continuously will have a lasting impact on all of us. Her warmth made you feel like one of her own. She had a way of making you feel like the most special person in her life. Her legacy of love, acceptance, kindness and so many other attributes will live on in all of us. Miki, you truly were a shining light in our lives and we will forever be grateful for all of the talks and amazing times we shared together. We will miss you so much and you will always be in our hearts forever and ever. May you rest in perfect peace and watch over us. Mom, we love you!
