Dear Family - I was so sorry to learn of the passing of your mom. She was a wonderful person and friend. She was so helpful when I was going through a tough time in my life 30 years ago. I will never forget her. She will be missed! I am sure the reunion with Spencer was sweet! Know that you all are in my thoughts and prayers.

So sad to hear about Myra. 43 years ago about this time I met Myra at the post office while she carried her newborn Kim and I carried my newborn Zan. Only one month apart in age the girls and the moms became the best of friends. So hard to lose people you love admire and respect. I saw Myra with six children pass boards again to regain her nursing license then go on to finish a bachelors and masters. She was the brains behind Baby Your Baby. also a master teacher doing school health programs. She had such a charismatic personality that people loved to be with her. She could always lift you up and make you laugh. A bright light is gone from my life. I know she is with Spencer and her mom who she cared for so lovingly in her last years. I'm sure she's had a big hug of greeting from my Kenny. Love you Myra and your sweet family who are such Awesome adults

Jeannie and I are so very sad at the loss of our kind and caring next door neighbor. From nearly the moment we moved in we have adored Myra and her sweet and loving attitude. Myra always had that huge smile and spirit of good about her. We know how much she cared about her family and the joy that they brought to her. So very sad but happy that she can now rejoice in the reunion she has had with her Son. Rest In Peace dear friend we shall miss you.

From a friend at Trailside. Just to let the family know how much we loved and enjoyed your mother. She was such a joy and delight to be in her presence. She just made you feel great. God bless you all as she takes this journey back to other loved ones. God will help you all as go on and miss her that you will be able to meet again in a short time. Thanks for sharing her with us at Trailside Community in Syracuse.
