Sherry, Lynda, Shauna, Susie- I am so sorry to hear about your mom. Her and all of you have been such a constant part of my life, I can't imagine her not being here. Experiencing our parents graduating to the next life has been harder than I could have ever imagined. I am thinking of you all and praying for your comfort.

Shauna and Family, I was so sad to see Myrle's obituary. She was such a fun, fun, lady and many fond memories flooded my mind as I read through her obituary. Also, I learned that I knew both of Myrle's sisters. I taught with Barbara and had Karen for a Merry Miss teacher in Primary. God bless you all as you mourn Myrle's loss. I had hoped to come to the viewing this morning, but workers showed up at our house at the last minute. I'm about to zoom in the funeral. Sure love and miss you Shauna!

I grew up in the Garden Park Ward with your mother. Anne was my best friend in grade school and your Grandpa was my bishop. Your mother was older and I remember going to her wedding and looking up to her because she was so fun, and animated and pretty. I loved the family she grew up in and spent lots of time in her home with Anne. I'm sure you appreciate the wonderful legacy that the Brewster/Smith family gives you and your children. From one who has experienced this family first-hand, I am grateful for the influence each of them I have known has had in my life. Wonderful friends, wonderful memories, and wonderful examples. Your mother goes ahead now to prepare the way for you.....she will be with you, unseen, but certainly there to love and watch over you.
