We love Wayne and the entire Hansen Family. I will always cherish my conversations and memories with Wayne for 6 years as we counted church donations on Sundays. He is a patriot And overall awesome representative of truth and righteousness!

Wayne was such a positive role model for me going into my adult years. I have no words that convey how sad I feel over hearing of his passing. Both Bill and I send our sincere condolences to Lynda and his family. The world has lost a kind and caring soul. Fly with angels, boss. Sally and Bill Maxey

Twice this past month as I've driven around the Valley I've looked at light displays and thought of Wayne. That is a memory I will carry the rest of my life! Peace to all of you, I am so incredibly sorry for your loss. Julie Black

Lana and I love your family and send our deepest wishes of hope and comfort to Lynda, Heather and Gregor. Wayne was a man of valor and truth, protector of family, and a friend to me. He loves his Savior and will now reside with Him to pave the way for all others who follow Wayne's example during his time in morality. We were all blessed to know him.

Wayne was a very special person! We remember him calling us and Alli to your home, He took her in the garage and presented her a new white Neon. She was in college and had no car. After we all cried, he said it was because of her example to his daughter during her rough times her senior year on Alta's Basketball team. It was so difficult and many tears were shed. We didn't know anyone knew because Alli wanted it that way. But Wayne knew and watched. We will never forget his generosity and love!!!
