Rest peacefully Kevin, you were a joy to work with in the pool and I know how you loved the hot tub when your back hurt. Live Jenni

My heartfelt love and condolences at this time. Kevin was a very special young man. He has completed his work here on earth and has been called home to his Heavenly Fathers house where his loving parents wait to be reunited with him.... Xxx

Hi Ali My sincere condolences for your loss, I know what Kevin means in your family but now he is next to your parents protecting you his children Ali, Paul, Tod, Amy and Eva many affection for you

The first thought I had when I heard Kevin had passed was the beautiful reunion between Kevin and his amazing mother Shannon. I was fortunate to be taught by the best of the best when Kevin was in my classroom, he taught me to smile though hard times, to support your favorite teams by wearing their jerseys on game day (BYU and The Utah Jazz) and enjoy the moment. Kevin was always a joy to be around, I was able to be in Kevin’s home many times and witness the love, concern and care each sibling gave to Kevin. I am sorry for your loss, and hope you find comfort knowing you will see him again ■

My heart goes out to all of you. Kevin brought such joy to everyone who had the privilege of meeting him. I loved working with him at Jordan Valley School and think of him and Shannon often. Love you all and send my blessings to you.

Kevin and his endearing mom are now together forever sharing their gratitude for each other and all they shared. What a blessing they were to JVS.

I remember very well your mother's devotion to Kevin. I think of them often.
