

Nadine G. Kee

August 31, 1940 ~ August 31, 2021

My Dad, John Pottrr, thought the world of Nadine. I always looked forward to seeing her when I'd go to his office. She was always so sweet. I'm sure my Dad was one of the first people to welcome her into heaven. Prayers for comfort to her family

Hello, my name is Rick Heninger... The Son of Francine Potter, step son of George John Potter... Both have passed away... Nadine worked for my Step Father throughout the decades. She was extremely concise, intelligent, responsible, and kind. After my step father passed away in 2006. She continued to work for my mom. Nadine was sooooo patient. My mother passed away in January of 2024. She and I did not hear of Nadine's passing... I am SOOO sorry that we didn't. I am very saddened by her passing. Having the responsibility of executing my mother's will, I have been trying to contact Nadine. If still alive at the time of my mother's passing, Nadine was allocated a relatively small but VERY meaningful token. She has passed which nullifies this gift. However, family of Nadine, PLEASE be aware that we knew of her extreme talents and dedication. Peace be unto you... Peace unto you Nadine! Love Rick, Francine, and family!
