Dan & I send our condolences to all that knew Nadine. We had the pleasure of meeting her a few times when we would visit Utah for some family occasion. She was so pleasant and happy and a joy to be around. We are so sorry you are going through this tough part and having to feel that loss. I'm sure she has many family and friends who are now happy she is with them. Love, Dan & Kaye Clark

The family of Jim Rasmussen wants to send our condolences to your family at this time. We have heard so many wonderful things about your Mother/Grandmother from Kathleen over the last 20 years. I(Bonnie) was fortunate to meet your Mom and Dad and have lunch with them in SLC many years ago. You conducted a lovely funeral for her today. Sending our regards, Bob and Bonnie Wischmeier, David and Hisami Rasmussen, Dale and Debbie Morris, Russ and DeAnn Behrmann and Kevin and Maureen Hunt May Heavenly Father continue to bless your family-

Dear Family of Nadine Miller, Please accept our love and sympathy at the death of your beloved Mother and Grandmother. Years ago Nadine was an excellent dental assistant and employee who worked in our group dental practice. Imagine our pleasure and surprise to find her living in the same area when we moved to South Jordan about 18 years ago. We got to know her better when we became members of the same ward about 15 years ago. We had good visits with Nadine and Larry in their home. We admired their loving relationship with each other and their family. They were so proud of their daughters and families. They had loving memories of their son Don and looked forward to a joyous reunion with him. We were sorry not to attend the viewing of funeral. John has just been released from the hospital. Know that you have been in our thoughts and prayers. May the Lord bless you with

peace and comfort. Love, John and Pat Bevan
