I just read the obituary of our dear Elect Lady , Nancy, and watched the video and it moved me to tears of joy, sadness, deep love and hope! I'm so very proud of her, you and Nate for creating a beautiful, large forever family. Surely the heavens, God, Jesus, Angels, Mom Nor, Dad, Gregg, babies that have stepped across the veil before her, all the relatives brothers and sisters in that side of the veil and of course Nate are having a glorious reunion and congratulating Nancy for a life well lived and honored by all. The words of honor I have for you and all your family are "what a glorious legacy of lives well lived and extremely difficult challenges overcome" I'm sure God is saying "Well done my child enter into the glory and realm of my peace to our beautiful Elect sister. I love all of you so deeply for the spirits you are and for the privilege of being your sister and Aunt to the "whole brood"! May God continue to be with you, Tani, as you are now the mother of such a large family. I pray for peace and your strength to rise to every challenge that may be before you with continued honor, integrity and amazing blessings. Love and off the chart respect for what you, Nancy and Nate have created in a super, loving, gospel filled family. Amazing!!! ■■■■■■■■■■■ Sister Shirlee
