I will miss Nancy forever; we have been friends for many years. She has been a sister for me, one whom I have loved. I will look forward to meeting her again, in the future.

I was so sorry to hear about Nancy's illness and passing. She was such a nice woman. I enjoyed saying hello to her at the office when I paid my rent. I knew the Shingleton family many years ago so we had something in common. I will miss her. My condolences go to her family. Nancy is now out of her pain.
