I am a friend of Suzanne's and I'm so sorry for what this sweet family member had to go through and that you lost her at such a young age. I can't even imagine the heart ache. Just know that my thoughts are with you.

Sorry for your loss Paul. I didn't know about your wife's health problems. As you may or may not know, our Mom died from cancer, after years of suffering. You can never be prepared for losing a loved one, even though you know of it's inevitably. You can take comfort in the knowledge that you will be with her again. That is another inevitably, a joyful one. May you feel of our Father's love at this time. Uncle George

- George Smith

I am so deeply sorry for your loss. The word loss just feels so insufficient. There just are no words. I am here for you, in whatever way you need, at whatever time. Love and prayers to you and the kids.

What a beautiful, valiant woman, an inspiration to all who had the privilege of knowing her. Our hearts go out to you, Paul, and to your children. May you be blessed with peace and comfort. Love, Uncle Doug and Aunt Ada

Paul, I am terribly sorry you and your children have to go through this. Please let me know what Kari Jo and I can do. Dewey

Sorry, Paul and all the family. That's really tough. I liked hearing more about her. Such a good description of her personality, life, and relationships with others. Thanks for sharing that. She's a beautiful woman.

- Rachel (Doug and Ada's)

I'm so sorry to hear about Nancy's death, I never heard. I have lost 2 partners that pain never goes away, but it does get easier as you know at this point in time. I'm sorry for your children to lose their mother so soon. My heart goes out to you all.
