

Nancy Lyn Rawson

June 23, 1950 ~ April 5, 2024

Great sadness filled my heart today as I read of your passing. I am so thankful for your friendship over the years .I Loved watching your Children grow up in New Jersey and enjoy the many memories we enjoyed over the years. Thanks for being a good friend. I love you and your sweet family. I am sure Heaven is a wonderful place to be…Rod has been there almost 10 years and I have discovered the veil is very thin which is a joy to know. God Bless your family as you have left them with beautiful memories. Always Thankful to call you friend. Joyce Dayley
