

Neil Royce Gause

May 9, 1959 ~ October 26, 2025

My heart is heavy that we have lost such a good person. I looked forward to seeing Neil at work. Even after he retired, I always wondered if we'd get to see him again. Neil often had some wry humorous POV about the topic at hand that made me laugh. He was a kind soul. My sincerest condolences go out to Neil's family. He is on the final journey of a lifetime.

I'm so sad to hear the news of Neil's passing. I sure loved seeing him around City Hall with Fred close by. My heart goes out to your family. Neil made such an impact on all of us who had the privilege to work with him. His warmth, humor, and patience will never be forgotten.
