Rosemary and family, I am so sorry to hear about your mom. She was a really nice person.. Besides knowing her in our ward family I had her for several classes. I still think of her when I make jam. Your are lucky to have had her for all these years. I didn’t realize how truly remarkable she was. May you have many sweet memories. Love Kristie Wernli

Mrs. Irvine was my home economics teacher and I credit her for my skills in the kitchen and sewing. Over the years, I have thought about her a lot and wished I had been better about keeping all of her tried and true recipes we used because they were amazing. I had the great fortune of attending Camp Piuta and did not know it was her idea, hard work and vision that made it such a wonderful reality. Thanks Mrs. Irvine you were a wonderful teacher

and have blessed my life in so many ways!!!

Dear Irvine family, Your mother was always so pleasant and kind whenever I had an interaction with her as a child, as a teenager at school, and later as an adult. She was such a calm, classy, talented lady. I like to think there might be a neighborhood reunion going on with all our Val Verda friends. Those were special days! Love to your family■

Dear Irvine family, I was saddened to see the passing of Nelma. I worked with Nelma in the Teen Parent program. She was so kind and a joy to work with. She taught the Foods classes and I the Child Development and we had a wonderful working relationship. I valued her knowledge and help as she was a wonderful teacher. The students loved her. She was a wonderful friend to me. She will be missed.
