Marilyn and family, we are so sorry to read about your family loss. We were just thinking about you two not long ago. We still remember going to the Temple for your wedding. It was a beautiful day. We pray that your loss is softened by the knowledge that you'll be with him again one day. He was such a good friend to us and he will truly be missed.

Clay, I am sorry to hear of the loss of your father. I know the void left when a parent passes. I live across the street from your Grandkids former house on Holly Ln. My son mowed their lawn for several years. Give my respects to the rest of the family. Chris
